

Oceanside Opulence:

ISLANDS OF ISLAMORADA

By Brianna Robertiello

Discover the alluring beachside beauty of the Upper Florida Keys at the elegantly exclusive Islands of Islamorada resort.

Tranquil, secluded, and basking in luxury, The Islands of Islamorada flaunts a unique escape for those seeking oceanside adventures in a serene yet vibrant location. Islamorada is home to a lively culture with fun local hotspots, beautiful oceanside experiences, and stunning marine life for visitors and locals to enjoy. The perfect location for waterside fun and activities, Islamorada stands out as one of Florida's most sought-after destinations for year-round relaxation and outdoor adventures.

Located just an hour and a half outside of Miami and two hours from Fort Lauderdale, guests can easily access The Islands of Islamorada by car or shuttle, and experienced boaters can access the resort through the Intracoastal Waterway.

SUITES & VILLAS

The Islands of Islamorada boasts an open, airy design throughout, with tropical beauty seeping in through every corner. Carefully curated spaces are accentuated with clean lines and a neutral palette, making way for the endless light brought in through sprawling windows and glass doors. Seamlessly blending the natural beauty of the area with complementing architecture, The Islands of Islamorada provides a true five-star experience for guests.

The accommodations consist of 22 oceanview villas and eight one-bedroom suites. The Islands of Islamorada's luxurious waterside villas are three-stories with four bedrooms, living and dining areas, a full kitchen, stunning outdoor lounge area, and two balconies overlooking the incredible ocean. The 3,100-square-foot villas allow guests to immerse themselves in the tropical beauty of the area with a seamless indoor and outdoor transition in the layout of the accommodations. Equipped with a two-car garage, private laundry room, and space for eight guests, the villas are best for larger groups to enjoy.

The one-bedroom suites are ideal for smaller parties and feature both a king bed and pull-out sofa for sleeping, an oceanview lounge area, living room, and a balcony. Exterior parking is available for guests staying in one bedroom suites.

DINING

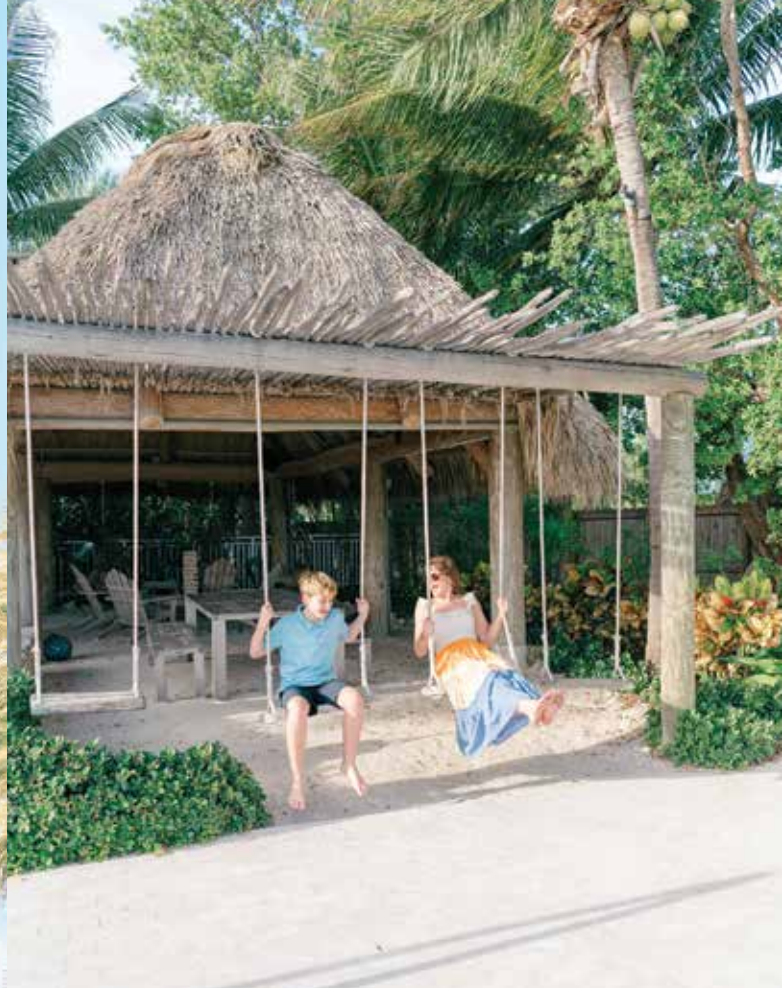

Guests of The Islands of Islamorada are able to order chef-prepared food (from the comfort of their tablet) anytime from 9:00 AM to 5:00 PM, with delivery to wherever they are on the resort. Villa guests have the opportunity to have a private chef prepare meals in the comfort of their own space. Each villa is equipped with a grill for the guests' personal use and the suites have shared access to a grill that is first-come, first-served basis. For those who love to cook and plan to prepare their own meals, The Islands of Islamorada offers a kitchen stocking service so everything the guests need to prepare their favorite dish can be stocked and ready to go when they arrive. To unwind with a waterside drink, guests can visit the Waterfront Florida Keys Resort Bar. Guests can also venture out to the area surrounding the resort and try one of the twenty restaurants of varying cuisines.

AMENITIES & ACTIVITIES

Boasting a tiki bar, two gorgeous swimming pools, a hot tub, a private beach, and a children's play area, The Islands of Islamorada offers the perfect mix of relaxation and exploration. Guests can tee off by the sea, show off their pickleball skills, or take a private fishing charter and find out why the area is deemed the "Sportsfishing Capital of the World." Sailing, paddleboarding, kayaking, snorkeling, and scuba diving are just the beginning when it comes to waterside sports at the resort and its surrounding areas. Guests can unwind and dive into the local culture at the Sandbar, which is a natural sandbar that rises out of the water and creates a lively social atmosphere for visitors of all ages to enjoy. The resort marina offers dockage for guests arriving by boat and unlocks a world of exploration of the stunning Florida Keys. Guests can enjoy being transported by golf cart or bicycle to discover the magic of the resort grounds.

Fitness enthusiasts will be right at home with 24-hour access to the gym, featuring state-of-the-art equipment and complimentary outdoor yoga and fitness classes. Two palm-shaded pickleball courts are also available for guests' use. While the resort does not have a spa onsite, there are two notable day spas nearby and the concierge can arrange in-suite spa treatments, including massages, facials, manicures and more. Whether guests want to sit back and relax or dive into a new adventure, The Islands of Islamorada has something for everyone.
